- Faculty of Law of the German University in Prague – Books of examination protocols of state examination commissions at the Faculty of Law of the German University in Prague

All digital copies are available to researchers at a computer in the reading room of the Archive of Charles University. All acts, deeds, letters, and charters are also accessible online at webpages of the [Monasterium](#) project as well as in the [Digital Repository of Charles University](#).

The Archive of Charles University in collaboration with the [Computer Science Centre of Charles University](#) is currently implementing digitisation project [Students of Prague Universities, 1882–1945](#). Its aim is to make digitally accessible materials related to students of Prague universities in 1882–1945. This is the part of collections of the Archive of Charles University that is most popular with researchers. It contains information about app. 150,000 students, including many important personalities, who had studied at the Prague universities. At the moment, following collections are digitally accessible:

- [registries of doctors of the Czech University](#),
- [registries of doctors of the German University](#),
- [books of examination protocols of state examination commissions at the Faculty of Law of the German University in Prague](#),
- [books of examination protocols of state examination commissions at the Faculty of Law of Charles University](#),
- [books of pharmaceutical examination protocols at the Czech Charles–Ferdinand University and Charles University](#),
- [books of pharmaceutical examination protocols at the German University in Prague](#),
- [books of examination protocols Commission for Teaching at German University in Prague](#).

All records permit [search by names and other data](#).
